What makes a compelling argument for Languages?
What works for Languages in your school?
What would you like to do to strengthen Languages in your school?
Some ideas...

At a faculty level:

- **Promotion of progression and achievement**
  1. Easy to read programs on school portal for parents
  2. Goals for each topic in student books
  3. Increase the challenge up to Yr 10
  4. Student checklists at end of each topic
  5. Faculty-based achievement certificates

- **Languages Noticeboard**

- **Subject choice evenings**
  1. One page content planner showing progression and continuity of language learning in your school
  2. Show parents the level language students reach by Yr 12 (sample text, sample HSC paper)

- **Articles in school newsletter, School magazine, End of year report**

- **Develop a Languages Newsletter** (once or twice a year)
Whole School approach:

- Devise cross-curriculum Units of work
- Introduce Studies of Asia/International Studies in Stage 5
- Utilise staff/parent/student expertise
- Involvement in external competitions
  - MLTA Film competition
  - Asia Wise competition
  - ACER
  - OZCLO
- Sister schools
- Cross KLA involvement in Languages Day
- Disseminate information widely
- Offer your expertise to other faculties
